

LMCA Student Development Hours

Purpose Statement: Student Development Hours provide high school students the highest level of opportunities to change their world. LMCA students will have a minimum number of required community service hours to fill each quarter and a variety of options to choose from. We want our students to make participating in their community a life-long habit. Questions about SDH can be directed to the student's Bible teacher. Thank you for taking time to bless others through your service hours.
